Partnering with parents is a resource that will inform you on what your child is being taught. Monthly information is available. It focuses on the quarterly teaching, scripture devotionals, and family discussion time questions pertaining to the lesson of the day. We hope this resource will be a helpful tool in continuing the spiritual growth of your children, as your family grows stronger together in the faith.

We will be teaching about "The Armor Of God" and additional teachings on prayer. God is real and so is the enemy, the devil. We need to claim and live life in the victory that has already been won on the cross for us by the work of Jesus when He defeated the devil. We can continue in that victory over the enemy by the way we think, speak, and act as children of God.
